# Time to Order Another Award Case

*“I’m dedicated to making Aurora Anguilla the finest resort in the Caribbean.”*

— RICHARD SCHULZE, FOUNDER OF BEST BUY

ANGUILLA, BRITISH WEST INDIES: There are an estimated 123,000 hotel rooms in New York City and 156,000 hotel rooms in Las Vegas. To great surprise, there are over 250,000 hotel rooms dotted across the Caribbean. Competition to be awarded “best of” across the sun drenched islands is fierce.

After Aurora Anguilla was named “Best Family-Friendly Caribbean Beach Resort” by *Travel+Leisure* and “New Hotel of the Year” by Preferred Hotels and Resorts, its latest award is “Caribbean Golf Resort of the Year” by the *Caribbean Journal*.

Aurora Anguilla’s International Course (18 holes) and Avalon Links (9 holes) are the exclusive golf options on island.

Spend your days at Aurora rejuvenating at the spa, playing the island’s only golf courses, enjoying hydroponic farm-to-table dining, or dive into family fun at the new Aurora Entertainment Park. The 380-acre property infuses the soul of Anguilla with the unforgettable experiences you deserve. ■

Aurora Anguilla’s six dining venues feature local ingredients and global flavors. Nearly 90% of the fruits, vegetables, and herbs used are grown onsite at the resort’s 10,000 square foot hydroponic farm.
